

PATTLE DELAMORE PARTNERS LTD

## Intermediate Civil/Environmental Design Engineers – Three Waters

### Auckland, Christchurch, Tauranga

- ✦ New Zealand employee-owned professional environmental and engineering consultancy
- ✦ Offices in Auckland, Tauranga, Wellington, Hamilton, Christchurch and Invercargill
- ✦ A great team and company culture – professional, supportive, social

#### About PDP

Pattle Delamore Partners Ltd (PDP) is an employee owned engineering and environmental consultancy with 180 staff in six offices countywide. We are dedicated to finding environmental solutions that work for both our clients and the environment.

#### The Opportunity

You will work across a wide variety of projects and will be given the opportunity to manage projects right through from investigations and concept development into detailed design, construction and commissioning. We offer a strong support network to help you grow as a project manager and to deliver successful and highly rewarding projects for our clients.

You will have the opportunity for training and development to help you develop your career and work towards professional registration with CPEng, if you are not already chartered. We are proud to be a Professional Development Partner with Engineering New Zealand.

There are a variety of three water projects for local authorities and private clients, and you would work across the whole project cycle.

#### About you

You will hold a degree in Civil or Environmental Engineering with around three plus years' postgraduate experience in:

- ✦ The design of wastewater treatment plants, pump stations, pipelines and land disposal systems for industrial and municipal water or wastewater projects
- ✦ Civil works design
- ✦ Supervision of investigation and construction works
- ✦ Management of construction contracts including tender preparation, contractor evaluation, budget management, invoice reconciliation and works certification
- ✦ Managing projects by coordinating subcontractors and liaising with regulators and client contacts

- ✧ Design of water and stormwater treatment systems, pump stations, pipelines and irrigation infrastructure.
- ✧ Writing reports on technical work.

**To apply**, please email [employment@pdp.co.nz](mailto:employment@pdp.co.nz) and include the following:

- ✧ Your CV
- ✧ A covering letter
