

Service Leader – Geotechnics | Wellington

This is a great opportunity for a senior professional to join an established and highly respected environmental and engineering consultancy with a nationwide presence. Driven by solving the important infrastructure and environmental challenges facing NZ, we are still growing and invite you to be part of our future. You will be working in a business that prides itself on our people-focused culture, our fun workplace, and our creative thinking and sound advice.

We are looking for a Service Leader in Geotechnics who will be taking a lead role in developing PDP's geotechnical presence in Wellington and Lower North island. You will work across a wide variety of projects and further develop your skills and leadership expertise.

The Role

- Develop engineering geology/geotechnical engineering business development opportunities within PDP's existing and new clients
- Manage geotechnical projects (foundations, slope stability, dams, service corridors and quarrying).
- Plan, write and review technical reports and provide input into engineering design.
- Contract management including cost estimating, tender and contract preparation, construction monitoring and commissioning.
- Work across other work groups at PDP, particular contaminated land and water infrastructure.
- Work with a range of clients from local authorities to private companies.
- Liaise with regulators and other relevant bodies.

You will need

- Degree in Civil Engineering / Geotechnical Engineering, Engineering Geology (or equivalent).
- Minimum 8 years' experience as a Geotechnical Engineer or an Engineering Geologist (experience with a professional consultancy is preferred)
- Strong verbal and written communication skills.
- Proven leadership skills.
- Creative thinking to find innovative solutions for our clients.
- A collegiate, team-player attitude.

About Us

PDP is a leading environmental and engineering consultancy offering solutions for environmental issues through our specialised range of services. Working on a wide variety of projects ranging from major infrastructure projects through to investigations on the natural environment, we aim to cover the entire range of environmental services required by our clients, in air, land and water.

We are a NZ, employee owned and operated company, with 35 years' experience in providing environmental solutions throughout New Zealand, Australia and in the Pacific Islands. Our team of over 175 specialists are located in Auckland, Hamilton, Tauranga, Wellington, Christchurch and Invercargill.

With a strong focus on health and wellness, as well as an enthusiastic and active social club, PDP offers a fun work environment with a focus on work/life balance. Along with a supportive team of dedicated professionals to work with, you will have the opportunity to advance your career in a growing NZ-owned company.
