

Intermediate/Senior Resource Management Planner | Auckland

Join an established and highly respected environmental and engineering consultancy with a nationwide presence. Driven by solving the important infrastructure and environmental challenges facing NZ, we are still growing and invite you to be part of our future. You will be working in a business that prides itself on our people-focused culture, our fun workplace, and our creative thinking and sound advice.

We are growing our national team of resource management planners and are looking for an Intermediate to Senior level Planner to join us and work across a wide variety of projects to further develop their skills and leadership expertise.

The Role

- Evaluate statutory and planning implications for various projects.
- Prepare resource consent applications and liaise with regional and local authority representatives.
- Develop planning documents, national policy statements and national environmental standards.
- Conduct consultation programmes with interest groups including submitters to resource consent applications and policy changes.
- Write reports and present evidence at hearings.
- Work with a range of clients from local authorities to private companies.
- Supervise and coach junior planners to further develop your leadership experience.

You will need

- Bachelor's degree (preferably with honours) in Resource Planning or a Postgraduate degree in Environmental Science/Natural Resource Management/Geography.
- Minimum 5 years' experience in the planning field, preferably with a focus on water resources and land management.
- Working knowledge and understanding of regional and local authority planning in NZ.
- Strong verbal and written communication skills.
- Creative thinking to find innovative and sound solutions for our clients.
- A collegiate, team-player attitude.
