

Asbestos Surveyor/Assessor | Christchurch

Join an established and highly respected environmental and engineering consultancy with a nationwide presence. Driven by solving the important infrastructure and environmental challenges facing NZ, we are still growing and invite you to be part of our future. You will be working in a business that prides itself on our people-focused culture, our fun workplace, and our creative thinking and sound advice.

We are looking for a driven Junior or Intermediate-level Asbestos Surveyor/Assessor with 1- 5 years asbestos survey experience who is looking to gain experience in the contaminated land field. Your primary focus will be to conduct asbestos management/demolition surveys, air monitoring and clearances, but will get opportunities to undertake a versatile range of other contaminated land investigation projects.

The Role

- Conduct asbestos building surveys, asbestos assessments, asbestos air monitoring and carry out clearances.
- Complete Preliminary Site Investigations; in addition to, asbestos contaminated sites commonly investigated include petroleum facilities, commercial/industrial/residential land, and landfills.
- Undertake Detailed Site Investigations including preparation of health and safety documentation and obtain environmental samples (e.g. of soil, water, sediment and asbestos).
- Interpret laboratory results, assess environmental data, and develop conceptual site models.
- Prepare survey, data analysis and assessment reports.
- Business travel will be required (including overnight stays).

You Will Need

- Degree in Geology/Engineering Geology/Environmental Science.
- 1- 5 years asbestos survey experience, ideally with IP402 qualifications and/or an asbestos assessor licence.
- Experience in geological logging or interpretation of geological and/or environmental information.
- Basic familiarity with the Contaminated Land Guidelines and Regulatory Framework.
- Strong verbal and written communication skills.
- Creative thinking to find innovative and sound solutions for our clients.
- A collegial, team-player mindset with a 'can do' attitude.

About Us

PDP is a leading environmental and engineering consultancy offering solutions for environmental issues through our specialised range of services. Working on a wide variety of projects ranging from major infrastructure projects through to investigations on the natural environment, we aim to cover the entire range of environmental services required by our clients, in air, land and water.

We are a NZ, employee owned and operated company, with 35 years' experience in providing environmental solutions throughout New Zealand, Australia and in the Pacific Islands. Our team of over 190 specialists are located in Auckland, Hamilton, Tauranga, Wellington, Christchurch and Invercargill.

With a strong focus on health and wellness, as well as an enthusiastic and active social club, PDP offers a fun work environment with a focus on work/life balance. Along with a supportive team of professionals to work with, you will have the opportunity to advance your career in a growing NZ-owned company.
