

## Compliance Management and Environmental Auditing Specialist | Auckland/Hamilton/Tauranga or Christchurch

Join an established and highly respected environmental consultancy with a nationwide presence. Driven by solving the important infrastructure and environmental challenges facing NZ, we are still growing and invite you to be part of our future. You will be working in a business that prides itself on our people-focused culture, our fun workplace, and our creative thinking and sound advice.

We have an exciting opportunity for an experienced Environmental Management and Auditing Specialist to join our growing team in one of PDP main locations. You will contribute or lead implementation of compliance management, planning and strategy for clients, and undertake monitoring and auditing programmes for activities related to a wide variety of industrial, NGO's and local government clients.

### The Role

- Prepare and implement of monitoring programmes for compliance management and environmental auditing in line with project requirements and client needs;
- Ensure the compliance management and environmental auditing/monitoring programmes meet all the requirements of relevant legislation, including National Environmental Standards, National Policy Statements and the Regional Plan;
- Undertake reporting as required by the national standards and PDP project requirements;
- Investigate environmental incidents and recommend appropriate remediation actions;
- Actively participate in the development and implementation of environmental strategies, management and solutions for clients.

### You will need

- A relevant environmental tertiary qualification e.g. in environmental engineering, science or RMA/environmental Planning, recognising that water quality related sciences or similar would be beneficial;
- At least five years' experience in a consultancy, local government or similar regulatory field;
- Sound knowledge of Regional Council Resource Management Act functions, and an understanding of industry practices;
- Please send your CV and cover letter to [employment@pdp.co.nz](mailto:employment@pdp.co.nz)

### About Us

PDP is a leading environmental and engineering consultancy offering solutions for environmental issues through our specialised range of services. Working on a wide variety of projects ranging from major infrastructure projects through to investigations on the natural environment, we aim to cover the entire range of environmental services required by our clients, in air, land and water.

We are a NZ, employee owned and operated company, with 35 years' experience in providing environmental solutions throughout New Zealand, Australia and in the Pacific Islands. Our team of over 200 specialists are located in Auckland, Hamilton, Tauranga, Wellington, Christchurch and Invercargill.

PDP has a strong culture of work/life balance, focus on wellness and health and safety. We offer competitive remuneration and a great range of benefits including medical insurance and income protection. Along with a supportive team of dedicated professionals to work with, you will have the opportunity to advance your career in a growing company that prides itself on being the best in class.
