

Senior Environmental Engineer | Wellington

This is a great opportunity for a senior professional to join an established and highly respected environmental and engineering consultancy with a nationwide presence. With almost 100 water professionals, we have one of the most capable three-waters teams in New Zealand. Driven by solving the important infrastructure and environmental challenges facing NZ, we are still growing and invite you to be part of our future. You will be working in a business that prides itself on our people-focused culture, our fun workplace, and our creative thinking and sound advice.

We are looking for a Senior Engineer with strong experience in water, wastewater and stormwater (three-waters) who will be given opportunity to work across a wide variety of projects and further develop their skills and leadership expertise.

The Role

- Investigation, planning and design of water, wastewater and stormwater infrastructure.
- Contract management including cost estimating, tender and contract preparation, construction monitoring and commissioning.
- Project management.
- Work with a range of clients from local authorities to private companies.
- Work across all stages of a project leading and mentoring junior engineers.
- Support business development activities and PDP profile-raising activities including conference presentations and technical publications

You will need

- Degree in Civil, Environmental or Natural Resources Engineering
- Minimum 5 years' experience in three-waters engineering investigation, design and contract management.
- Chartered Professional Engineer (CPEng) qualified (or equivalent)
- Strong verbal and written communication skills including technical report writing.
- Creative thinking to find innovative and sound solutions for our clients.
- A collegiate, team-player attitude.

About Us

PDP is a leading environmental and engineering consultancy offering solutions for environmental issues through our specialised range of services. Working on a wide variety of projects ranging from major infrastructure projects through to investigations on the natural environment, we aim to cover the entire range of environmental services required by our clients, in air, land and water.

We are a NZ, employee owned and operated company, with 35 years' experience in providing environmental solutions throughout New Zealand, Australia and in the Pacific Islands. Our team of over 200 specialists are located in Auckland, Hamilton, Tauranga, Wellington, Christchurch and Invercargill.

PDP has a strong culture of work/life balance, focus on wellness and health and safety. We offer competitive remuneration and a great range of benefits including medical insurance and income protection. Along with a supportive team of dedicated professionals to work with, you will have the opportunity to advance your career in a growing company that provides itself on being the best in class.
